

LIGHTING WAREHOUSE TECHNICIAN & DRIVER

SALARY: £25,500 - £29,000

We are looking for full-time Lighting Warehouse Technicians & Drivers to join our main lighting warehouse and logistics teams. This role is ideal for someone with a keen interest in lighting and production equipment, strong organisational skills, and a hands-on approach to logistics and warehouse operations.

Main Responsibilities:

- Preparing, testing, and maintaining lighting and production equipment for hire
- Managing booking-in and booking-out procedures efficiently
- Loading and unloading vehicles safely and securely
- Delivering and collecting rental equipment from clients and locations
- Ensuring the warehouse remains organised and well-maintained
- Performing basic electrical repairs (beneficial but not essential)

Essential Skills & Requirements:

- Basic knowledge of photographic and lighting equipment
- A highly organised approach with the ability to prioritise tasks under pressure
- Strong ability to work independently as well as within a team
- A clean UK driving licence and confidence in driving 3.5TN LWB vehicles
- A proactive attitude with a willingness to learn new skills
- Flexibility and dedication, understanding that some days may run longer when necessary

What We Offer:

- Full training to develop a broad knowledge of industry-leading lighting and grip equipment
- A competitive salary with paid overtime based on skills and experience
- The opportunity to work in a fast-paced and dynamic industry

If you're passionate about lighting and logistics and looking for a hands-on role in a growing team, we'd love to hear from you!

ACCOUNT HANDLER (LIGHTING & CAMERAS)

SALARY: £27,500 – £35,000

We are looking for a full-time Account Handler to join our growing Lighting & Digital Bookings team. This role is perfect for someone with a passion for the photographic and moving image industry, excellent client-facing skills, and a strong organisational mindset.

Main Responsibilities:

- Liaising with producers, agents, photographers, and their assistants to create bespoke lighting and camera packages
- Working on projects for some of the world's leading brands, from tech giants to global fashion houses, and everything in between
- Ensuring smooth communication and seamless coordination throughout the booking process

Essential Skills & Requirements:

- A basic knowledge of photographic equipment, whether lighting or cameras
- A highly organised approach with the ability to prioritise tasks under pressure
- A team player who is also a self-starter, comfortable being the main point of contact for clients
- Excellent communication skills, both verbal and written
- A genuine passion for the photographic and moving image industry

Desired Skills:

- Experience in a similar industry setting
- Working knowledge of motion camera systems and grip (desirable but not essential)

What We Offer:

- Full training to develop expertise in industry-leading lighting, digital, and production equipment
- A competitive salary with paid overtime based on skills and experience
- The opportunity to work in a dynamic, fast-paced industry with top-tier clients

If you have a passion for photography, strong client-handling skills, and a desire to work with industry-leading equipment, we'd love to hear from you!

LIGHTING WORKSHOP TECHNICIAN

SALARY : £35,000 - 45,000

DESCRIPTION :

ProLighting are offering a unique opportunity to support our Maintenance and Repair Team in the role of 'Lighting Workshop Technician' in our in-house workshop. We are a London-based leading photographic and moving image equipment rental company supplying professional photographic and production equipment to high-end brands, production houses, photographers and cinematographers across London the UK and Europe. We are looking for a pro-active and conscientious individual with solid technical knowledge and a clear talent for problem solving.

This full-time role will be based at our main lighting warehouse and studio complex in London E1. We offer a competitive salary reflecting your skills and experience.

Responsibilities will include:

- Diagnosis, repair and testing of electrical and non-electrical lighting equipment
- Regular maintenance and servicing of equipment according to manufacturer specs
- Purchasing and keeping stock of spare parts and consumables
- Schedule and carry out PAT testing of electrical equipment (training provided)

Essential Skills:

- Excellent technical skills and attention to detail
- Proven previous experience in a similar role
- Ability to work under pressure both independently and as part of a team

Desired Skills:

- Full UK driving licence
- PAT testing training
- Basic knowledge of Photography and Photographic equipment.

Please email a short cover note and CV with the advertised position in the subject to careers@prolightinglondon.com Please note that due to volume of applications only shortlisted applicants will be contacted for interview.
